(subject: "AGM") All welcome!

Dear members

*"We have a strong club with an experienced committee. We hope you will show your support to the club by joining us in welcoming a past club member as our guest speaker at our upcoming AGM. It's also time to refresh the committee with some new faces with fresh ideas & enthusiasm. Several of our committee members have been closely involved with the club for many years & feel that it's time to step aside & pursue other interests. So, **we need you to join us on the committee & help continue gliding the club forward.**"*

Sarah Kennedy, president

Have you stayed in our lodge?

Accommodation is available throughout the year outside of ski weeks for club members primarily, but many other groups & families also use our lodge. You can't beat the convenience of staying on the mountain & it's cheap!

Feedback

In order to improve what we do, we would love your feedback. We don't want to continue doing what we've always done. Often, passing comments or requests are made which should be addressed at the AGM. Please have a serious think about what you think should be changed or adjusted & let us know. Email southlandskiclub@gmail.com (subject "feedback") with your ideas. There's no such thing as a silly idea.

WORKING BEE

29 & 30 April weekend

Come & join us for a social weekend with other like-minded club members to give the club lodge a bit of spit & polish.

Numbers will be limited, so please register the days you can attend & numbers in your party on southlandskiclub@gmail.com so that we can allocate beds & chores. (subject: "working bee")

Here's your chance to contribute to the club if you are not able to be on the committee.
